Calendar saccreeks@gmail.com

Agenda

1. 5 Self-Introductions, interests, background
2. 5 Review agenda - **Meeting objective:** Discussion of a Sac area LID/watershed conference, project updates.
3. 5 Review previous meeting notes
4. 30 Discussion – discuss impacts and strategies for working during the Covid 19 pandemic.

How has the pandemic affected employees, budgets, operations?

What have you done to adapt and accomplish objectives?

Have objectives and priorities changed?

How can collaboration among local jurisdictions be useful?

We're thinking of an informal discussion but would appreciate a presentation from anyone who can tell the group about their situation.

5. 10 Continue consideration of an LID/Watershed conference.
6. 10 Update - Status of project/grant proposals:
Funded:
 - ARB Stewardship and Citizen Science Project – ARB IRWMP/DWR, part of the package developed by RWA for the IRWMP implementation funding. The project will demonstrate use of a phone app for mapping trash and other parameters.

- Dry Creek stream restoration and streambank stabilization – City of Roseville. The project will move the channel away from a street and recontour the bank, and restore a natural riverine system and provide fish habitat

Request update:

- Regional Trash Mitigation Study and Synopsis Report – CVRWQCB, a focused plan for seeking funding.
- WASH:URC lower American River pilot – ARB IRWMP, a pilot project to discover stakeholders' interests; provide water, sanitation, and hygiene services; and to provide connections to organizations providing a variety of services to homeless persons.

Not Funded:

- Steelhead Creek - DWR Urban Streams Restoration Program, a planning grant proposal submitted by partners County of Sacramento and Valley Foothill Watersheds Collaborative. The project was developed by Roland Brady and Crystal Mathias.
- Steelhead Creek instream trash removal project - Regional Sanitation. A project developed by Roland Brady and Crystal Mathias to remove instream debris using draft horses to minimize impacts and permit requirements.
- ARB Collaborative – Regional Sanitation, funding requested for organizing quarterly meetings.

7. 10 Announcements, correspondence, resources

- City of Roseville creek video on FB and also on You Tube. Here is the FB link:
